DOGS GONE GOOD

THAT'S OUR WAY OF SAYING THAT EVERYTHING WE DO IS DRIVEN BY OUR DESIRE TO CREATE A DELICIOUS DOG THAT DOES RIGHT BY OUR RANCHERS, OUR PLANET AND YOU, OUR CUSTOMER. WHILE IT'S SIGNIFICANTLY LESS EXPENSIVE, FASTER AND EASIER TO MAKE MASS-PRODUCED FOOD, WE JUST DON'T THINK IT'S THE RIGHT THING TO DO. SO, NO ANTIBIOTICS OR HORMONES GO INTO OUR ANIMALS; NO NITRATES, NITRATES, FILLER OR JUNK GO INTO OUR DOGS. BY EATING A LET'S BE FRANK DOG, YOU'RE SUPPORTING A WHOLE NETWORK OF FOLKS WHO ARE PASSIONATE ABOUT PRODUCING FOOD THAT SHOWS THAT THEY CARE. THAT'S WHAT MAKES A DOG FROM LET'S BE FRANK A DOG GONE GOOD.
